

Just One Name Does It All

Now, there's *just one* name to remember for progressive resistance therapy ... REP Band®. With the characteristics and performance of latex resistive exercise products and the safety and cleanliness (no powder) of non-latex, choosing REP Band® means purchasing *just one* product and remembering *just one* progressive resistance color scheme. REP Band® Products have everything you need in a resistive exercise product and nothing that you don't. Choose the one name that does it all.

That's *Progressive Thinking!*
